**Presentation to BlazeAid**

Wire spinners, star post pullers and star post drivers, made by students from Year 11 and 12 Metal and Engineering, Year 11 Primary Industry, Years 9 and 10 Metals and the Support Unit were presented to BlazeAid volunteer Laurie Dawson. Mr Mark Heaney initiated the project, giving Coonabarabran High School students the opportunity to show their support and appreciation of the BlazeAid workforce who have worked tirelessly in the Coonabarabran community over the last four months, following the January fires, helping to rebuild fences.

**Rotary Australia & New Zealand Student Exchange 2012 Program**

**Expressions of Interest Open**

This program is designed for 14-16 year old students (in Year 9 or 10 in 2014) to experience a true ‘exchange’ with a family in New Zealand. Local students are matched with a New Zealand student and will travel to New Zealand and attend school there during Term 2, 2014. Both students then return to Australia and attend school here for Term 3, 2014. The student’s family hosts the NZ student and includes them in their normal family life. This is an exciting way to experience another culture with the support of Rotary.

More information and expression of interest forms can be found at [www.ranzse.org](http://www.ranzse.org). Expressions of interest close June 2013.

**Mr Johnston presents Annabelle Park (year 7) with the Tom Sullivan Gift Trophy - Winner of the annual event**

---

**Next P&C Meeting**

Monday, 27 May @ 5.30 pm
School Library
ALL WELCOME
Principal’s Report

Our school focus on learning continues unabated with some wonderful rich tasks presented in recent weeks. The Year 8 game design task that focussed on medieval history concluded with a game playing session to celebrate the depth and enjoyment of learning that took place. The extra work undertaken by teachers to coach, mentor and even take students to Sydney for extra tuition makes a significant difference to the performance and understanding of our students. As a school we thank our teachers for their commitment.

The participation and school spirit on display at the Athletics Carnival on Tuesday was fantastic. The senior students led the school with a wonderful display of enthusiasm and encouragement of younger students. I was particularly impressed with the achievement of students from the Support Faculty.

The Tom Sullivan Gift featured some spectacular running talent. The final included both School Captains, Nathan and Alice in a first for our school. Annabelle Park from Year 7 was the youngest competitor and a worthy winner. She just managed to hang on to her lead as the strong field chased her. Harley Wood has once again dominated the boys high jump with a record breaking leap over the bar set at 173 centimetres.

Timor won the day but all students came away with great memories from the carnival. Thanks to all of our staff for the management of the day and in particular, our tremendous sports team of Mr Ramage, Mr Cousens, Ms Crossingham and Mrs Jenner.

Several representative sporting competitions are in progress at the moment. I had an opportunity to watch our girls play the Regional Basketball final against Manilla Central last week. We were soundly beaten by an impressive team but our girls kept their heads up and demonstrated the depth of skills that they have developed this year under the guidance of their coach, Ms Moore. They have done very well to reach the final and will no doubt improve with further experience.

Our Equestrian team have been training to prepare for the North West Expo which begins on Friday 31st May. The team have been very fortunate to obtain expert coaching from members of the local community. I wish the team well and look forward to watching them perform across the many disciplines that make the North West Expo so popular. Our school is closely tied to the Expo and has several stewards involved in the event in addition to the contribution our P&C and volunteers make. The Expo has also been very generous providing financial support to the school each year for identified projects.

Our Canteen Manager, Mrs Julie McGlashan is looking for volunteers to help at the P&C Canteen ‘Hut’ run at Expo. Please see the advertisement in this newsletter and volunteer to support our school.

After almost 40 years as an educator, Western NSW Regional Director, Carole McDiarmid will soon step back from leading the west’s 195 public schools, almost 40,000 students and more than 4000 staff.

Mrs McDiarmid has expressed confidence that our school and the others in Western NSW are in a strong position to continue to improve educational outcomes and benefits to students under the guidance of our enthusiastic and dedicated staff and through the combined resources of the public school network.

She said our students are advantaged by the region’s widely-recognised leadership in innovation and technology, our public schools’ strong commitment to social justice through education and our determination to see better outcomes for all students.

Our school has enjoyed a strong working relationship with Mrs McDiarmid during her time as Regional Director. On behalf of the school community, I wish her all the best in her retirement.

Please be advised P & C Minutes will be available on the website.

Mel Johnston

**President's Report**

A few hours ago I spent some time at the High School Athletics Carnival, joining the boisterous crowd cheering the students as they ran, jumped and threw. It was a credit to the staff and students. Everyone appeared to be enjoying themselves and Mr Enks had little to do. Participation and spirits were high and the only people that missed out on the fun were those that were absent.

Credit must go to all the staff and students that helped organise the day. Mr Ramage, deserves to be singled out. As usual he did a fantastic job, particularly regarding the Coonabarabran Gift, a unique and special event. For those not familiar, ‘the Gift’ is a handicap 100m sprint, Coonabarabran’s equivalent to the Stawell Gift. The beauty of it is that it is so inclusive. Not all finalists were familiar with the track and starting gun. Most ran in bare feet and Mr Ramage does a lot of homework to ensure that all 9 finalists finished within a couple of metres of each other. It was anyone’s to win. As the anticipation built, the whole school lined the track, cheered their friends and team mates and watched Annabell Park, a year 7 girl, hold off her fancied rivals and break the tape with a huge smile.

But to business. The Equestrian Expo is scheduled for the 31st May to 4th June and the hut roster has lots of holes in it. This is our biggest fund raising activity of the year and if you can spare a couple of hours please jump on the school web site, follow the link to the hut roster, and nominate a time slot or two. Our next meeting is at 5pm, 27th May in the school library and, amongst other agenda items, we will be aiming to fill the remaining timeslots. Please join us to discuss Expo and any other issues you like.  

Mark Fosdick

**Indonesian Language News**

**Selamat datang semua**  
(Welcome all)

There is some very exciting news about an Indonesian visitor to our school next month. Master Indonesian Shadow Puppeteer, Pak Sumardi is coming to Coonabarabran High School, enthralling our students and giving them a unique insight into Indonesian culture through the ancient art of ‘Wayang Kulit’, or shadow puppetry. The show will take place in the school hall. Keep a look out for the bill posters.

Date: 23rd July, 2013. Time: 9.00-9.50 a.m.
Cost only $2.00 per student.
(Students will be subsidised by the school)
Parents and carers welcome; cost $5.00 each

---

**Indonesian snapshot**

Wayang kulit or shadow puppetry is a unique form of theatre traditionally employing light and shadow projected onto a white cloth screen using an oil lamp as the light source. The puppets are handcrafted from buffalo hide and mounted onto bamboo sticks. The puppeteer is called a “dalang”, he sits behind the screen; narrates the story, and manipulates the puppets. The stories are usually drawn from the Hindu epics the Ramayana and the Mahabharata. Wayang kulit in Indonesia was most likely imported from China or India, both of which have a long tradition of shadow puppetry. In Java and Bali wayang kulit performances are always accompanied by a gamelan orchestra, a traditional orchestra using traditional percussion instruments which can last up to twelve hours at a time. So make sure you bring a picnic basket and a blanket.

---

**Language lesson with Pak Holden**

Wayang: is a Javanese word for various types of theatre around Indonesia.  
(Pronounced: WA.yang)

Kulit: is the Indonesian word for skin, in this case referring to buffalo hide used in the construction of the wayang kulit puppets.  
(Pronounced: KOO.leet)

Dalang: means puppeteer, especially those who perform traditional shadow plays  
(Pronounced: DA.lang)

Gamelan: a traditional percussion orchestra particular to Java and Bali.  
(Pronounced: GAM.lan)

Sampai Jumpa semua!
YOUR TIME STARTS NOW…

My mother and father always told me…“Stop muckin’ around”
I wish I had…another dress
My guiltiest pleasure...eating Nutella out of the jar
My happiest moment was…Getting married
At home I cook...lots of different things
My last meal would be...beautiful home made lasagne
My favourite gadget is...at the moment, my sensor bin
I am very bad at...lying
When I was a child I wanted to be...a fairy floss girl
If I could live anywhere I’d choose...definitely in the country!
It’s not fashionable but I love...badminton
My worst trait is...laughing at inappropriate moments
My best trait is...My caring nature
Friends say I...laugh a lot
My favourite magazine is...Country Style
University I studied at...Newcastle University
When I grew up I wanted to be a...Primary school teacher
The last thing I bought on ebay...croquet set
If I wasn’t me I’d like to be...The best chef in the world!
If only I could...Be fluent in more languages.
The hardest thing I’ve ever done was...
The biggest belly laugh I had was...All the time
I relax by...Cooking or gardening
My first impressions of Coonabarabran are...Such a beautiful town, reminds me of Mudgee when I was growing up
My favourite place in the world...Countryside Italy
At the moment I’m listening to...My husband asking, “Darling, what’s for dinner?”
My most recent work of art is...My wedding dress
My hardest job was...turf laying
I often wonder...and then snap out of it and go and do something
I wish I was better at...speaking Italian
My favourite sport...croquet
The biggest meal I’ve had...was an 8 course home cooked meal in Italy!!!
Favourite accessory...pearl necklace

Bethany Doyle is currently teaching in the TAS Faculty.

Poetry in Action

The poetry of Wilfred Owen is always on the minds of our English teachers, not only because it is great poetry to read and experience, but also because it is great poetry that is easier to understand and relate to. Every year, our best results for HSC Standard students invariably comes from their close study responses on Owen’s poetry, and for quite a few years we have been running performances on Owen’s poetry through the very talented group that form Poetry in Action.

On Wednesday 8th May, Year 11 and 12 Standard English students experienced the poetry of Wilfred Owen in performance, were given technical analysis of some of the most important scenes in his poetry and also got to get involved in the performance itself. All six poems set for study by the NSW Board of Studies were discussed and performed, especially within the context of Owen’s time. One of the best parts of the morning was the discussion of the poem, ‘Futility’, which the actors performed from three different interpretations or points of view. This highlighted for our students the fact that poetry is something that can be seen and experienced differently by different people, and that poetry can and should have a personal response. Although in the HSC, there are definitely some right and wrong answers regarding Owen’s poetry, the most important factor in a student’s success with his poetry is the formation of a personal response to his poems. This performance allowed our students to hear and see the poems performed professionally, listen again to the language of analysis and see the world through the world of Owen in a way that is difficult to replicate in a classroom, hard as we try!

The students are to be commended for their enthusiasm for the performance, especially those students who ‘volunteered’ for active service in the trenches!

Above: Samantha Harris, Marcus Young and Jack Ayoub enthusiastically assisting with the ‘Poetry in Action’ performance.
Public Speaking

During the holidays, Year 11 student Clayton McKinnon competed in the final of the Rotary District 9650 Public Speaking Competition. It was a fine achievement for Clayton to qualify as a finalist and he spoke with considerable aplomb in both the prepared and impromptu sections of the final. Congratulations, Clayton!

Additionally, Clayton has been selected to attend the NSW Schools State Constitutional Convention which will be held at Parliament House, Sydney on 17 June. It is quite an achievement for Clayton to be selected to attend this prestigious forum and our best wishes go with him for a wonderful experience; one where his "gift of the gab" will undoubtedly stand him in good stead!

Writing Success from the English Corridor

We are thrilled to advise that hot on the success of our students in the Henry Lawson (Grenfell) Writing Competition; further great news greeted the faculty last week. Many students have won honours in the Henry Lawson (Gulgong) Writing Competition. The following students’ stories were commended: Brittany Soussa, Hannah Harris, Caitlyn Green, Jesse Doolan, Olivia Colantonio and Caitlyn Bowden. Olivia Eastburn was commended in the adult section which was a great achievement.

Additionally, a number of our students are in contention as finalists in this competition and will find out their fate at the Literary Awards held in Gulgong on Sunday, 9 June. These successful students are: Sarah Hincks, Elizabeth Graham, Georgina Elton, Sally Deshon, Emma Tudgey and Melanie Dow.

Well done to all our wonderful writers!

Below: Henry Lawson Writers Festival successful participants

English on the Road

Last weekend saw Year 12 Advanced and Extension English travel to Sydney. The Extension students attended fabulous lectures at Sydney University which were hosted by the Romantic Studies Association of Australasia. The lectures focused on set texts and strategies for ensuring a successful navigation of the demands of this challenging course.

The Advanced students attended a symposium on Shakespeare’s Hamlet and then that evening, the theatre company Sport by Jove’s production of this timeless play at the Seymour Centre. All students remarked upon how seeing the play performed helped them to gain a more perceptive understanding. Thanks are extended to Mrs Bell for organising the excursion, and to Mr Graham for giving of his own time to drive the bus.

Above top and bottom: Coonabarabran High School Year 10 Debating team, Annie Nash and Aimee Sanders adjudicators.

Year 10 Debating

On Friday the 17th the Year 9/10 debating team consisting of David Tighe, Bess Graham, Ashley Michael and Stephen Sanders, competed in two debates against the Narrabri Red team and the Narrabri Blue team. The first debate was against their more experienced team Narrabri Red and the topic for the debate was ‘Australian schools should drug test their students’ with the Coonabarabran High team on the side.

The debate was well argued on both sides however, the Coona High team have experience on their side and while the debate was close we won. Mr Macintosh gave both teams some excellent feedback as adjudicator and the Coona High team took that into the second round.

Round two with Coona debating the younger team Narrabri Blue with the topic of ‘That they should ban all betting on football codes in Australia’ was well contested with the Coona team arguing their side competently. The younger team, despite their inexperience, were very confident and strong, and offered up strong arguments for our team to rebut. Again it was a close debate with Mr Macintosh congratulating the Narrabri team on their first debate and the strength of their arguments however, the Coonabarabran High team were victorious in this debate as well.

Coonabarabran High has been successful with their debating teams over the years and hopefully this team will continue as they have started. Our next debate is against Quirindi and has yet to be timetabled.

We would like to thank Mr Macintosh for being our adjudicator on the day as well as Annie Nash and Aimee Sanders (pictured below) for their roles of chairperson and timekeeper. We would also like to thank Mrs Wood for catering as well as the canteen and the Library staff.
Above: Ms Bell congratulating Jeanette Schaeche, who received Highly Commended at the recent Henry Lawson Writers Festival.

**Most Successful School at Coonamble Show**

On the 8th of May Coonabarabran High School students travelled to Coonamble to exhibit five of the school's steers as well as five cattle generously loaned by Terry and Maylene Griffin, Temana Charolais Baradine. Both students and animals excelled in all the categories that they entered.

In the School Steer Section our Heavy Weight steer Elmo won the Champion School Steer and our Charolais Angus cross steer Callum won Reserve Champion. We were also presented with some new feed buckets and halters for the Most Successful School.

In the Parader's Competition the students were judged on their ability to handle and present their animal. All of our students qualified for the finals in their respective age group. In the Under 15, Years age group Ale Van Schalkwyk was successful in taking out first place, and Oska Brooker was second.

In the Over 15 Years Caitlyn Green was placed first and Emily Young second. The overall Champion Parader was Caitlyn Green and Ale Van Schalkwyk was selected as the Reserve Champion.

Students also competed in the Junior Judging Competition where they had to judge four steers in the correct order and speak on a microphone to reason their choices to the over judge. Emily Young was successful in gaining first in the Over 15 Years and Caitlyn Green was placed second.

In the stud cattle section the students prepared and exhibited three heifers and two bulls. The students did an outstanding job presenting these animals and won many places in various categories.

The students involved should be commended for their attitude, hard work and their behaviour at the show as they were excellent representatives for our school. Also a big thank you to John McEvoy for driving to Coonamble and Mr and Mrs Griffin for allowing our students to exhibit their outstanding cattle.

Cross Country 2013

On the 8th of May all students from Coonabarabran High assembled at the Racecourse to take part in the Annual Cross Country. It has been great to see more and more students opting to run in the elite division that covers all age groups in both boys and girls. The conditions looked good for some fast times as the uncharacteristic warm days of the past few weeks had mellowed slightly leaving a slightly overcast day for the run. It is always a surprise to see how fast the first runners make it around the track and their training in PE classes last term helped them tackle the course with ease. The following were the age champions;

<table>
<thead>
<tr>
<th>Girls</th>
<th>Boys</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 Grace Colantonio</td>
<td>Shaun Mc Neilly</td>
</tr>
<tr>
<td>13 Isobell Fox</td>
<td>Quade Milgate</td>
</tr>
<tr>
<td>14 Breanna McNeilly</td>
<td>Nick Willoughby</td>
</tr>
<tr>
<td>15 Gina Elton</td>
<td>Shannon Doole</td>
</tr>
<tr>
<td>16 Maddy McNeilly</td>
<td>David Tighe</td>
</tr>
<tr>
<td>17 Vanessa Kenyon</td>
<td>Kieran Comyns</td>
</tr>
</tbody>
</table>

The top 4 students in each age group along with these winners are eligible to represent Coonabarabran High at the North West Regional Cross Country at Coolah on the 14th June. Special mention must be made to Maddy McNeilly for equalling the girls 16yrs record of 16.18, and overall first girls home, and David Tighe for being overall first boy home in a time of 13.24. Very special mention must go to Mr P Sweeney in the Veterans section who shaved a whopping 9 minutes off his time from last year.

Lawn Bowls News

On Wednesday 27th March, Coonabarabran High School entered two teams in the Warrumbungle School Challenge held at the Coonabarabran Bowling Club. They had to play teams from Baradine Central, Gilgandra High School and St Johns from Dubbo in a round robin format. Coonabarabran 1 team consisted of Zach Smith, Jordan Johnson, Ben Yamold and Alex Herman. Coonabarabran 2 team was Byron Coe, Justin Antaw, William Abbott and Brodie Edmonstone. It was the Coonabarabran 2 team which had the most success coming third in the tournament and winning $100 for the school.

In the North West Knockout, we had Justin Antaw playing lead, Jordan Johnson second and Byron Coe as Skip. After receiving a bye in Round 1, a forfeit to Coonamble High School in Round 2, Coonabarabran High School played Walgett community College in Round 3 and won 22 – 17. In the North West semi-final they played Durval High School but were unable to prevail, going down 27 – 11. With more experience, these boys will only get better as they are keen players.

Squash Report

On Monday, 6th May, the Coonabarabran High School boy’s squash team travelled to Tamworth to play in the North West Knockout competition and try out for a place in the North West Team to play in the State Titles in Cardiff at the end of Term 2. The team consisted of Jack Masman, Joshua Masman, James Pearson and Tyson Bennett. The boys acquitted themselves quite admirably, accomplishing 3rd place in the North West. Jack Masman made the North West Team and Joshua Masman as the reserve. Results on the day were Coonabarabran lost 3 – 1 to Tenterfield, lost 3 – 1 to Moree, beat Warralda 3 – 1 and won against Inverell 3 – 1 with all players recording at least one win on the day. Unfortunately, we were unable to form a girls’ team but Kate Masman has been selected to play for the North West team at the State Titles.

Above: 14’s Rugby League side and Coach Dan Stewart, represented at Narrabri on Thursday 23 May, results in the next newsletter.
**Basketball Report**

After an impressive win against Tenterfield, the girls prepared themselves mentally and physically for their toughest game yet; the North West final in which they would have to play Manilla, an experienced team boasting some several representative players.

The girls put up a good contest against Manilla, Ash-ley top scored yet again. Lakeyia, Teagan, Latoya, Maddy, Maddie and Tessa continued with their great defence and Lauren, Caitlyn, Ashley and Jess showed great spirit under the boards. Unfortunately, Manilla proved too tough on the day and the girls had to be happy with runners up. All round a great effort. Next stop Orange and the top 20 state Knockout Competi-tion. Good Luck girls.

**Timor 1st Place at the Athletics Carnival**

Above top: Danielle Andrews and Jack Reynolds Timor House Cap-tains. Damen Nixon flying high in the 'Long jump'

Above: Tessa Flick and Ashlee Varty
A very successful Athletics Carnival was held on the 20th and 21st of May. A feature of the carnival was the tremendous school and house spirit generated by the student body. Our main event, the Coonabarabran High Gift was hotly contested, with over 80 students commencing the first round. The senior boys in particular, focused on securing the best possible handicap as they tried to out run the other students and outwit the handicapper. Despite their best efforts, year 7 student Annabelle Park, took out the final in the narrowest of finishes from last year’s winner Jim Nash and Joe Bowen. The school again acknowledges the sponsorship of the Flood and Sullivan families for this event.

The outstanding achievement of the carnival was Harley Wood’s incredible leap of 1.73 m in the 14 years boys’ high jump, to break the old record by 11cm. The final results were as follows.
