Dear Parents/Caregivers

CROSSROADS: A PERSONAL DEVELOPMENT & HEALTH EDUCATION COURSE IN YEAR 11

On Monday, 24 September students in Year 11 will be involved in a mandatory course called **Crossroads**. This course addresses many of the issues relevant to young people and gives them the opportunity to work through issues which concern them.

Crossroads will be presented by staff from Headspace Dubbo and the Red Cross. Due to the sensitive nature of some of the issues covered, caregivers have the right to withdraw their child from areas of the Crossroads course that may be considered controversial. All materials and resources that will be used have been approved by the Department of Education.

If you have any concerns or require further information about course content which will focus primarily on safe and positive relationships, nurturing wellbeing and safe celebrations, please do not hesitate to contact Mr Cousens or Ms Mary Doolan.

Yours sincerely
