LOVE BITES PROGRAM

Dear Parents/Carers

On Friday 14 September 2018, we are offering the "Love Bites" program to all Year 10 students. This program was developed to educate young people about respectful relationships and to reduce the incidence of relationship violence in the community. It looks at the different types and prevalence of relationship violence, discusses social norms, gender roles and the role of bystanders to violence.

This workshop is delivered in an interactive manner with the supervisors involving the students through discussion groups and activities in every session. This program gives support to existing violence prevention initiatives that are operating in classrooms.

Joining with us are a number of facilitators from local Support Agencies.

Please contact the school if you do not want your child to participate in this program.

Yours sincerely

Ms Mary Doolan
