Calculators may be used in the relevant section.

There will be a non-calculator and a calculator section.

Test Requirements:

- All working must be done on the test paper*
- All workings must be shown to be awarded full marks*

Preparing for the Assessment:

It is strongly recommended that you create a summary sheet, using your class notes and your text book in preparation for this examination, but you will not be able to take it into the examination.

Complete the Chapter Review Exercises from your text book for the Chapters above (Chapters 5,6,7 and 10).

Complete all other revision activities as provided by your teacher.
