YEAR 12 HALF-YEARLY EXAMINATION 2018

Our Year 12 Half Yearly Examinations will be held Week 7 from Wednesday the 14th of March through to Friday the 23rd of March. These are part of each subjects' assessment schedule and as such are compulsory.

There are occasionally exceptional circumstances or illness which may prevent students from attending their exams. Students must be aware that if they are unable to attend their exam and do not provide a medical certificate or do not contact Mr Graham with an extenuating reason they will receive zero for their assessment in line with the NESA and Coonabarabran High School assessment policy.

Students who have a day or an afternoon without an examination may stay at home or go home after their examination, provided they bring a note from their parent or guardian giving them permission. This note needs to include the times and dates that the student will be absent from school.

Students will be provided with information on how to study effectively from their class teachers and must also make sure that they bring the appropriate equipment needed for the exam, such as a calculator for Mathematics.

If you have any queries please do not hesitate to contact the school.

Mr James Moffat

Examination Co-ordinator

Mr Duncan Graham
