18 February 2019

### VALID 8 Science Test Results.

During Term 4 2018, Year 8 students across the state sat the VALID (Validation of Assessment for Learning and Individual Development) test. The assessments assist schools to monitor student achievement and inform planning, programming and assessment practice. These results are now available and have been sent to the school for distribution.

These results will be handed out to students this week (Week 3). Please note that they are addressed to the Parent/ Caregiver, not the student. If you have any queries about the assessment or the results, please do not hesitate to call the High School and arrange an appointment with Mrs Maleisah Eshman (Relieving Head Teacher Science).

Yours sincerely

Maleisah Eshman
