-

The Task

You are to create a website for an online business using Weebly. The requirements for the task are attached.

NOTE:

This is a compulsory assessment task. You are required to be in class on the above stated date to complete the task. You are to make a genuine attempt at the examination. Failing to do so may result in the awarding of the grade of 0%. If you will be away on the day, you are required to arrange an extension with your class teacher at least one (1) week in advance. If are away from school on the day of the examination due to an unplanned event, you are required to provide your teacher with a note from a parent/caregiver when you return.

Nb. A Bibliography meeting Coonabarabran HSIE standards is mandatory in all tasks.

Task

Using Weebly and computer based graphics you produce a website for an e-commerce business, after consultation with your teacher. Your business is to be engaged in one of the following e-commerce activities:

Process

Your website needs to address the following core e-commerce principles:

- Methods for making purchases and payments online including options to:
 - make payments securely over the internet
 - advise the domestic or international legal consumer protection
 - the application of legal protections to e-consumers
- Formation of contract including
 - the making of offer and acceptance
 - methods for making payment for goods or services
 - the conduct of the organisation providing goods and/or services
 - security, integrity of websites
- Presentation of website reflecting the purpose of the e-commerce business including:
 - Structure of website
 - Visual appeal
 - Ease of Navigation
