Dear Parents/Caregivers

RE: MANDATORY TECHNOLOGY IN YEAR 7 & 8

The subject of Mandatory Technology consists of various components. In order for all students in Year 7 and 8 to participate in all the different components, the technology classes are rotated every term. This means that your son/daughter/ward will be timetabled to a different technology component. For Term 2, the technology classes will be as follows:

| YEAR 7 | | |
|--------|-------------------------|-------------------------------------|
| Class | Teacher | Component |
| 7A | Ms Smith & Mrs Hawkins | Textiles (Material Technologies) |
| 7B | Ms Pulham | House Design (Engineered Systems) |
| 7C | Ms Pulham | House Design (Engineered Systems) |
| 7D | Mrs Hawkins & Mrs Doyle | Ag/Food (Agriculture and Food Tech) |
| YEAR 8 | | |
| Class | Teacher | Component |
| 8A | Ms Webb & Mr Heaney | Ag (Agriculture and Food Tech) |
| 8B | Mr Stewart & Ms Smith | Timber (Digital Technologies) |
| 8C | Ms Smith & Mr Heaney | Dragsters (Engineered Systems) |
| 8D | Mrs Hawkins & Ms Smith | Food (Material Technologies) |

Students will be issued with new timetables early in Term 2. It is important that all students return their completed booklets from Term 1 as soon as possible. Please note that the Music/Art rotations remain the same for Term 2. That means that 7A, 7D, 8A and 8D will continue with Music. Groups 7B, 7C, 8B and 8C will continue with Art. Please don't hesitate to contact Mrs Rossler if you have any queries, on 6842 1099.

Yours sincerely

Mrs Aimee Rossler
