Dear Parents and Students

ALL MY OWN WORK

Wednesday 24 February, Year 11 students will be completing the All My Own Work program. This program is mandated by the NSW Education Standards Authority (NESA) and a compulsory requirement of enrolment in Year 11. The program requires students to complete 5 units of work, based on good academic practice, plagiarism and working co-operatively. The units involve students completing a series of readings and then answering a number of questions based on the readings.

Students will be given up to four periods to complete these units of work. As this is an online course, students will be using school equipment to complete it. They will also need a pen and paper to help them complete this task.

If you have any further queries about this program please contact the schools co-ordinator James Moffat on 6842 1099.

Yours sincerely

Mr James Moffat
