Dear Parents/ Carers

Re: Potential COVID-19 Case

We have been advised this afternoon that 3 of our students, who have been in attendance at school this week, up until yesterday and have been identified as close contacts of a confirmed COVID-19 case. Accordingly, they are self-isolating and will not be at school in the immediate future while they await medical clearance.

Could you please monitor your child's health closely and keep them home and have a COVID-19 test, if they display flu-like symptoms. If that is the case, we will require proof of COVID clearance when returning to school. In such circumstances you would appreciate that a cautious approach is best.

In the event that NSW Health advise that a confirmed COVID-19 case has been on site, we will advise immediately. A reminder that our website, Facebook and School Stream remain excellent ways to stay up to date.

Should you have any queries or concerns, please contact the school.

Yours faithfully

Ms M Doolan
